

PRODUCER PROFILE

Estate owned by: Charles de Bournet
Marnier Lapostolle
Winemaker: Andrea León
Total acreage under vine: 447
Estate founded: 1994
Winery production: 15,960 Bottles
Region: Rapel Valley
Country: Chile

Lapostolle Grand Selection Cabernet Sauvignon 2023

WINE DESCRIPTION

The mission of the Grand Selection Tier is to capture the freshness of the fruit. Young, expressive, bright, and vivid are defining characteristics of Lapostolle Grand Selection wines.

Valle del Rapel is located in the central part of Chile, including the sub valleys of Cachapoal and Colchagua. It exhibits a semi – arid Mediterranean climate with a winter – only rainfall pattern. During the growing season, we have warm and dry days and pleasantly cool nights as a result of cold breezes coming from the Andes Mountains. Rapel has also a cool influence from the Pacific's Humboldt Current, which lowers temperatures in the coastal areas of the valley.

All the grapes were hand harvested in small cases of 14 kilos and carefully transported to the winery. We obtained clean and pure fruit with strict quality control thanks to the state of the art technology: our Vistalys optical berries selection. 5% of the clusters were hand de stemmed. Then all the grapes were gently macerated with a gentle extraction, obtaining elegant structure, expressive aromas and very good color. Fermentation lasted about 2 weeks in stainless steel tanks at 24-28°C. After a maximum of 4 weeks of maceration, 60% of the wine was aged in 225 Lt. French oak barrels (second, third and fourth use) for 6 months while the remaining 40% was aged in stainless steel tanks.

TASTING NOTES

Grand Selection Cabernet Sauvignon offers aromas of strawberry, blackberry, plum, spicy cardamom, and red paprika. It has medium acidity, juicy tannins, and a round palate.

FOOD PAIRING

Enjoy Grand Selection Cabernet Sauvignon with grilled steaks, hearty stews, a cheese plate, or pasta with Bolognese sauce.

VINEYARD & PRODUCTION INFO

Vineyard name:	Las Kuras Vineyard
Harvest time:	March - April
Bottles produced of this wine:	15,960
Sustainability Certification:	Demeter (biodynamic)

WINEMAKING & AGING

Varietal composition:	86% Cabernet Sauvignon, 11% Syrah, 3% Petit Verdot
Maceration technique:	Gentle extraction
Type of aging container:	Barrels
Size of aging container:	225 L
Type of oak:	French
Time on its skins:	Up to 4 weeks

ANALYTICAL DATA

Alcohol:	14%
pH level:	3.66
Residual sugar:	2.35 g/L
Acidity:	3.89 g/L
