

SEQUOIA GROVE Napa Valley Cabernet Sauvignon 2022

America / Napa Valley

Sequoia Grove knows its estate fruit intimately and works closely with select growers with the goal of individual vine balance for perfect ripening of each cluster. At harvest time, any compromised clusters were left on the vine. The fruit was hand-picked, and berries were hand-sorted before and after the destemmer. After inoculation, pump-overs were executed daily to fine-tune and extract the rich color and tannins from the skins. After fermentation, the wine was moved to barrel to initiate malolactic fermentation in French oak and was racked 3-4 times before bottling and extended aging.

This Cabernet Sauvignon consists of more than 51% Rutherford-grown fruit including the Sequoia Grove Estate, the Tonella Estate Vineyard, and Morisoli Vineyard. The Tonella Vineyard sits on the eastern side of the valley bench lands, which are heavily influenced by its volcanic soils while Sequoia Grove and Morisoli Vineyards sit on the western bench influenced by alluvial soils.

HARVEST NOTE

The 2022 vintage is one of exceptional quality. The growing season began with some heavy rains in late 2021, though the beginning of 2022 was very dry. With a cool spring, crop loads were slightly smaller than normal due to the drought conditions. The early part of the growing season was near ideal, with excellent spring and summer weather. A classic Labor Day heat wave pushed concentration and propelled the vintage to one of the most condensed with one of the earliest starts and finishes for Sequoia Grove. The 2022 vintage should prove to be a rich vintage of lush fruit, great complexity, and balance.

TASTING NOTE

Enticing aromas of cherries, pomegranate, pluots, and bramble. On the first sip, experience a smooth, lush entry that unfolds into a rich palate of dry herbs and juicy black raspberries. This well-structured, medium-to-full-bodied wine delivers an elegant, mouthwatering finish with notes of blackberry jam, black pepper, and tobacco, complemented by refined cocoa powder tannins from its Rutherford fruit core.

TECHNICAL DATA

GRAPES: 82% Cabernet Sauvignon, 7% Cabernet Franc, 7% Merlot, 2% Malbec, 2% Petit Verdot APPELLATION: Napa Valley AVA, 51% from Rutherford

PH: 3.79

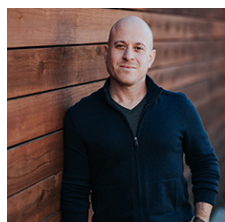

ACIDITY: 6.1 g/L

ABV: 14.9%
