CABERNET SAUVIGNON
Napa Valley

WINEMAKER- *Kristy Melton*

WINEMAKER'S NOTES

We scour Napa Valley for the best sites to grow Cabernet every year. We utilize a diverse selection of appellations and elevations to craft a wine that is classic, balanced and complex. The aromas are indicative of dark chocolate, black forest fruits, oak spices, leather and cedar. The palate is rich and round with flavors of blueberry compote, espresso, olive, dried herbs and black pepper. The tannins are well structured and integrated, making it enjoyable now or capable of cellaring well for decades.

GROWING SEASON NOTES

Vintage 2022 is called by many of us winemakers the "tale of two harvests." While still under drought conditions, we had a moderate summer with very agreeable temperatures for most of the year. We started picking white grapes on August 13, but then a triple digit heat wave hit in September that lasted well over a week. Harvest went into high gear as we began picking many reds that were suddenly ripe. That was followed by some rainstorms that cooled everything back down and what was left on the vine ripened at a little slower pace to close out our last day of harvest on October 14. The resulting wines are vibrant and fresh with expressive fruit characters and elegant balance.
